### Paper 2: Design Assignment

Attempt any **one**

1. You have been asked to advertise a student art exhibition. The organisers would like an image of the local gallery to appear in the final design. Research local architecture, look at some examples of painting, sculpture and printmaking, and develop your design. You will need to add suitable text.
2. A publisher would like an image to go on the front cover of a book about the music of your country. Research musical instruments, traditional or modern, and then develop a design for the front cover. Add lettering and present in the format of a book cover.
